

FISHER[®]

MANUFACTURING COMPANY
Commercial Faucets Since 1936

OPTIMIZE WATER USE *with a wave of your hand!*

Hospitals, schools and foodservice operations are always looking to conserve water, promote better health practices and cut costs. Fisher offers an innovative way to do it all with our new Sensor Faucets.

These innovative systems give you the ability to turn on and turn off water completely hands free, using sensor technology. Available in both wall-mount and deck-mount setups, sensor faucets bring convenience, efficiency and reliability to your operation.

BETTER BUILT FISHER'S SENSOR FAUCETS

1 VARIABLE SENSOR RANGE

For different sink sizes or personal preference

2 NO-TOUCH SYSTEM

Enhances hygiene in medical, institutional, and food service settings
