

## EZ INSTALL ADAPTERS

With the Fisher EZ Install Adapters, there's NO Need for a plumber to remove the stainless steel sink for access saving you time and money! The EZ Install Adapters allows for quick upgrade to any quality Fisher backsplash mount faucet or pre-rinse system. The EZ Install adapters fit all import faucets, Krowne, T&S, Chicago, Encore and the old Dormont virtually any faucet you see in a commercial kitchen. These adapters are degined to work. Select from a wide choice of styles designed for the rigors of commercial foodservice use. With the Fisher EZ Install Adapters it makes changing out a faucet EZ as 1...2...3!
