

WHY REPLACE WITH ANYTHING LESS?...

REPLACE WITH QUALITY. REPLACE WITH FISHER.

QUALITY.. FROM THE INSIDE OUT.

1. SPRAY VALVE

- Knife edge spray nozzle
- Thread-in nozzle requires No O-rings that can leak
- PTFE disc for smoother action
- Heavy duty lift pin two o-rings ensure sealing
- Standard protective full surrounding dish guard bumper
- Fits Fisher and T&S Hoses

2. PRE-RINSE HOSE

- Santoprene foodgrade heavy duty hose
- 6 strands of polymer providing reinforcement and additional grip
- Precision crimped and machine verified to ensure leak resistant construction
- Stainless-steel armor jacket
- Fits all brands of Pre-Rinse units

3. CHEMICAL TEE

- Less obstruction no need for a longer hose
- Flush mount 3/8"NPT plug included
- Chemical port connection for speedy installation and reduced labor

4. EZ- INSTALL ADAPTERS

- Allows for a quick upgrade
- Fit all import faucets, Krowne, T&S, Chicago, Encore, Dormont
- Design to work
- Makes it changing out a faucet EZ as 1..2..3..!

PRE-RINSE UNITS

- Models for every need
- Wall Mount
- Choice of brass or stainless-steel
- Designed for fast and effective pre-rinsing of dishes, pots, pans and trays.

BUILT TO LAST. EASY INSTALL. ALWAYS IN STOCK.
