- Makes changing out a faucet as EZ as 1..2..3..!
- Fits all competitive faucets

PRE-RINSE HOSE

- Santoprene foodgrade heavy duty hose
- 6 strands of polymer providing reinforcement and additional grip
- Precision crimped and machine verified to ensure leak resistant construction
- Stainless-steel armor jacket
- Fits all brands of Pre-Rinse units

ULTRA SPRAY™ VALVE PLUS

- Knife-edge spray nozzle
- PTFE disc for smoother action
- Thread-in nozzle requires no O-rings, which can leak
- Fits all brands of hoses

CERAMIC STEMS

- Visual stem identification
- Internal cartridge stops
- Check-valves in cartridge
- Larger openings
- Ceramic shutoff
- LIMITED LIFETIME WARRANTY!

CONTROL VALVE

- Easy identification with laser engraved Fisher logo
- Accommodates both standard swivel & rigid outlets

PRE-RINSE UNITS

Save thousands on dollars in utility bills by equipping your commercial kitchen with one of our innovative Fisher Pre-Rinse Units. Some of our most popular models are purchased with the water saving Ultra Spray™ Valve Plus, Reinforced Hose, EZ Install adapters and Chemical Tee. For four generations, the Fisher family has adhered to a strict dedication of consistent performance, product dependability, and overall value. When you install Fisher products... you install the best. Quality Guaranteed!
